

Slow Down

Words & Music: Jonathan Ogden

Verse 1:

Bb
I quiet my soul
F/Dm Gm
'cause you're teaching me how to slow down
Bb
Surrender it all, let You take control
F/Dm Gm
and slow down
Bb
I know You're not far away from me,
F/Dm Gm
You are so close now
Bb
I'm waiting in the stillness
F/Dm Gm
I need to hear Your voice now
And You're telling me

Chorus:

Eb Dm Cm
Quiet, you don't have to be so frightened
Dm
About what tomorrow brings
Gm
Just keep taking it slow
F
I will always be close
Eb
And I'm never gonna leave you
Dm Cm
Promise I'll never forsake you
Dm
So don't even worry now
Gm F
You've just gotta let go of trying to be in control
Cm
And slow down
F
Slow down

Interlude:

Bb F/Dm Gm
- *Slow Down*

Verse 2:

Bb Bbsus Bb
Love is patient, love is kind
Bb Bbsus Bb
Good things sometimes take some time
