

Slow Down

Words & Music: Jonathan Ogden

Verse 1:

1
I quiet my soul
5/3 6
'cause you're teaching me how to slow down
1
Surrender it all, let You take control
5/3 6
and slow down
1
I know You're not far away from me,
5/3 6
You are so close now
1
I'm waiting in the stillness
5/3 6
I need to hear Your voice now
And You're telling me

Chorus:

4 3 2
Quiet, you don't have to be so frightened
3
About what tomorrow brings
6
Just keep taking it slow
5
I will always be close
4
And I'm never gonna leave you
3 2
Promise I'll never forsake you
3
So don't even worry now
6 5
You've just gotta let go of trying to be in control
2
And slow down
5
Slow down

Interlude:

1 5/3 6
- *Slow Down*

Verse 2:

1 1sus 1
Love is patient, love is kind
1 1sus 1
Good things sometimes take some time
